Versatility- All Around High Point Horse and Rider

Based on total accumulated points for ALL classes
(Excludes Leadline, Walk/Trot and In-Hand Classes)
Same Horse and Rider Combination Only!
Exhibitors must declare that they will be competing for the versatility award and denote a minimum of 10 classes in which they will be competing. Once an exhibitor has made their declaration, points will start accumulating toward this award

**All miniatures classes will be held at the June 8 show. Miniatures classes for the rest of the show season (July, August and September shows) and year-end high point in the miniatures category is contingent upon participation in the June 8 show! If you show miniatures, please come to the June show so we can see there is a need to add this category of classes to our club for the remainder of the season! We would love to have you!!

*Classes listed in each category contribute points to that high point.

* Please see Awards Rules for clarification of points scoring for any of these divisions in regards to year end awards..

* Note - "Limited Rider" contestants CANNOT cross enter into a lope class, but may enter other "Walk-Tot" classes in addition to "Limited Rider" classes only.

* Note - once a "Walk-Trot Rider" has entered a lope class, points will no longer be accrued towards the "Walk-Trot High Point" year end award category for remainder of that show season, but points will begin to accrue in the respective category exhibitor has moved into.

* Note - contestants CANNOT cross enter Western Pleasure or Ranch Riding Classes.
